National Mango Board to Host Industry Outreach Meeting in Philadelphia, PA

Outreach meetings are designed to provide valuable mango information to industry members

Orlando, Fla (May 28, 2015) – The National Mango Board (NMB) invites the industry to participate during a complimentary outreach meeting taking place on Thursday, June 4, 2015 in Philadelphia, PA. Outreach meetings enhance communication between the NMB staff and the mango industry, providing an opportunity to showcase tools and resources to better support the needs of the mango industry.

During this meeting, Dr. Sergio Nieto-Montenegro of Food Safety Consulting & Training Solutions, LLC., will showcase the Mango Food Safety Training Kit. This Kit shares food safety training materials recommended for mango growing farms and packinghouses in the top six exporting countries, and mango warehouses and distribution centers in the U.S. Dr. Nieto-Montenegro will also provide guidelines on How to Implement Effective Training Programs in Importing Warehouses. In addition, the NMB staff will discuss how to respond to potential crisis situations by providing a set of key guidelines that are important in managing an issue effectively.

Who should attend:

- Quality Control Personnel
- Food Safety Professionals
- Food Safety Personnel
- Marketing/Communications Personnel

This meeting is open to the public and lunch will be provided. An open forum for questions and answers will be available. Please contact Carla Sosa, Industry Relations Specialist at the NMB, by calling 407-629-7318 ext. 114 or via email at csosa@mango.org.

About National Mango Board

The National Mango Board is an agriculture promotion group, which is supported by assessments from both domestic and imported mangos. The board was designed to drive awareness and consumption of fresh mangos in the U.S. The superfruit mango contains 100 calories, an excellent source of vitamins A and C, a good source of fiber and an amazing source of tropical flavor.
