National Mango Board 2016 Retail Partners

All retailers in the U.S. have access to free resources from the National Mango Board, including:

- Point of sale materials (POS)
- Best practices and training resources
- Consumer research and Category development tools (sales data)
- Recipes
- Photography, Logos and artwork
- Marketing messages for selection, cutting, nutrition and more
- Tips and training video for successful demo events
- Display and promotion ideas
- Volume history and crop projections
- Mango supplier database

In addition to these free resources, the Retail Marketing Team at the National Mango Board maintains ongoing direct relationships with the following retailers and wholesalers. Promotional funds are allocated to these companies to help encourage mango promotions.
