PR NMB To Undergo USDA Referendum Vote

by Lindsay Lehfeld, National Mango Board
Posted: Thursday, March 11, 2010 at 2:55PM EST

The National Mango Board (NMB) will undergo its first referendum vote, administered by the USDA from March 15 to 26, 2010. Eligible mango industry members will be eligible to vote and will receive ballots in the mail. This is the first referendum vote for the NMB and will determine whether it will continue forward with its research and promotion efforts.
